Congratulations pumpkin, you finally made it and I couldn't be more proud of you. You have the most wonderful heart one human being could have. It is full of dedication, determination, but most of all love. If I know what love is, you taught it to me. You have truly brightened my life and filled it with happiness. If I have one piece of advice to give you as you travel a new road in your life, it is to always be yourself. Don't forget who you are. Henry Winker once said, "A human being's first responsibility is to shake hands with himself." Always be strong and follow your heart. Never give up on your dreams because I know you have the power to make them come true. Remember, I love you with all my heart and if you ever need me I will come running!

I love you,
Mindy

P.S. I will always be your "best friend" no matter what!
