

Thank you all for being a part of my life. You are all stars in the sky of my life. You brightened up even the darkest of nights for me. You will never know how much you all mean to me. I may not be very talkative or do the right things all of the time, but you are always in my heart. Some of you, I have been friends with for a long time while others, I have just become friends with. If any of you ever need me, you can email me at [babygirlstine@yahoo.com](mailto:babygirlstine@yahoo.com) or [anime-girl-@hotmail.com](mailto:anime-girl-@hotmail.com). It's the best way to keep in touch with me. You are always on my mind!

To the four stars that shine the brightest in my life, I send a great amount of love and thankfulness. Two of you are my siblings while the other two might as well be my sisters. Christopher, Carroll, Kristen, and Krack, you are precious to me. You have helped me through some very hard times in my life. Your presence has made a major difference that is priceless. Good luck in all that you do. I love you more than what any words I can write down could express. Thank you for being there for me.

Love,  
Christine
