There are just two simple words to remember when you need an ag loan

**FARM
CREDIT**

...generation after generation.

Over the years you may have known us by a variety of names — Land Bank, Land Bank Farm Credit Service. But one fact remains, for over 75 years Farm Credit has been a dependable source of credit to agriculture, serving the needs of rural Americans for generations.

Now more than ever we're ready to give you the financial services you want today. So, whether you are a commercial operator, a part-time farmer or simply like living in the country, we want to do business with you.

And we'll be there for future generations.
