

### "Jeremy"

Keep your heart free from hate and your mind free from worry. Live simply; expect little and give much. Fill your life with love. Follow your dreams. Work hard. Be kind. Think of others and do as you would be done by. Remember goodness will be rewarded and happiness is the real wealth. Our wishes for you are: May you find happiness in every direction your paths take you. May you never lose that sense of wonder you have always had, and may you hold on to the sense of humor you use to brighten the lives of everyone who knows you. May you go beyond the ordinary steps and discover extraordinary results. May you keep on trying to reach your stars, and may you never forget how wonderful you are. May you be rewarded with the type of friendships that get better and better and the kind of love that blesses your life forever. May you go out of your way to stay healthy in body and soul, and may you know what it takes to deal with the stress of living in what is sometimes a difficult world. May you never lose your ability to see your way through to the other side of any worries. May you share your beautiful spirit with others, and remember how much magic a smile can provide. Jeremy, meet every challenge you are faced with, recognize every precious opportunity, and may you be blessed with the knowledge that you have the ability to make every day special, filled with rainbows. May you be strong enough to keep your hopes and dreams alive. May you always be gentle enough to understand. May you know that you hold tomorrow within your hands, and that the way there will be shared with the makings of what will be your most wonderful memories. And may you always remember, each step of the way...you are loved, more than words can ever begin to say. We are so fortunate to have you for a son and grandson and are proud of you. Ego ama te + 10.

You are our butterfly and rainbow.  
Moma, Daddy, Grandmoma and Papa

Enjoy the flowers and the sunshine while you can... get all out of every moment. I'm proud of your accomplishments and especially to be your big brother. Congratulations. love, Philip
