

Cadra,
 You were placed in my arms when you were 10 days old. You were a gift that your dad and I had waited for 10 long years. I was SO very nervous! I knew nothing about raising a child. But, as always, God knew what He was doing. He gave me a special child that has been so easy to raise. You have always amazed me with you many talents, your passionate and caring ways, your sometimes "dumb blonde" antics and your incredible beauty both inside and out. You are everything a mom could want in a daughter! Graduation begins a special time for you as you undertake the challenge of adulthood. Time will change us both but it will never change the fact that you are my life! The song "Soul of My Soul" sung by Micheal Bolton says it best.

Soul of my soul
 Heart of my heart
 Greatest treasure of my life is what you are

Soul of my soul
 Child of my heart
 I love you more than you know
 Soul of my soul
 You are truly my soul, Cadra, I love you dearly!

You are my sunshine, my only sunshine!!!!
 Always,
 Momma

PS- You are special to me too, Cadra.
 I love you!
 Dr. Butch
