

Kay,

It's hard to believe that time has gone by as quickly as it has. It seems like only yesterday you were a beautiful baby and now you are a beautiful young lady who is graduating high school. I wish you only the best that life has to offer. As you begin this new era in your life may all your dreams come true. Reach for the stars and you can do anything you set your mind to. Remember that you are very special. I am here for you anytime you need me. I love you MORE than you will ever

know.

Love,
Momma

Kay,
Congratulations! You are a great big sister!

Love,
Jessie

Karen,
You are my first born grandchild and I am proud of you. Papa is smiling down on you.

Love,
Grandma
