

Adrienne,
 You're my little angel
 and my little queen
 Cutest little baby
 that I've ever seen
 You're my little sweetheart
 sweetest in the world
 I'm so glad I have you
 for my baby girl.

These are the words I
 always sang to you when I
 rocked you.
 You are my precious angel
 and I will always be there for
 you.

You make me proud.
 Always remember
 "I Love You"
 Moma

Adrienne,
 I am very proud of you and
 all your accomplishments.
 May all your dreams come
 true. Congratulations and I
 Love You!
 Daddy

Sissy,
 You are the world's BEST
 sister. I'll always remember
 the times we shared.
 I love you with all my heart,
 Wills
