

Congratulations Justin!

It seems like only yesterday, we were holding you in our arms and now look at the fine young man you have become. Justin, you have made us so PROUD. Remember to keep God first and you will never go wrong. Now, Hold your head up, Keep Smiling and Reach for your dreams.

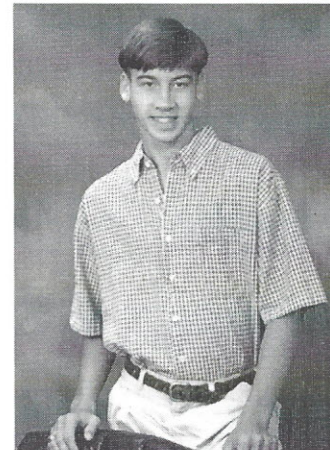

**We love you,
Moma and Daddy**

**Jut,
I love you very much. I'm going to miss you when I need lunch money and there's no one down the hall. You are a wonderful brother.**

**Love,
Jenn**

**In loving memory of my
brother,
Jonathan Sweatman**

**Now that you have gone,
You have left me all alone.
Until the day we meet each
other,
I'll always miss you, brother.**

**Love,
Justin**
