

Tiffany,

On May 7, 1983, a very special event happened in our lives. A special gift from God was born into the world. We were blessed with a beautiful daughter. You will never know how complete you made our lives. There are many things that we will always remember as we watched you grow from an infant, to a toddler, and to a kindergarten student. We will cherish such things as your first words, first steps, and your first time saying the alphabet. The next twelve years we watched you grow from a child into a very mature young lady. We don't know where the time has gone.

Now as you approach graduation, we would like to tell you that we are very proud of you and the outstanding work you have accomplished in high school. May God bless you and keep you as you look forward to college and making a career for yourself.

We love you and we will always be here for you no matter what happens. Just put your Faith and Trust in God always.

*Love always,
Mom and Dad*
