

Erin,
 When you were born we held you in our arms, and just kept smiling at you. You always smiled back, your beautiful eyes wide open full of life. Now you have grown up and become your own person. We look at you, your laughter, your sensitivity, your caring, and your beauty. Erin, we wish for you a life of serenity, goodness, accomplishment, and love.

Hey Sissy,
 Congratulations!
 Make sure to always follow your dreams.
 Love you,
 Jeremy
