Brandon,  
Congratulations! You have worked very hard to get here, but you made it. In a few short months, you will be graduating. Then, you'll be out in this big scary world. Just kidding, it isn't that scary, it is just what you make of it. I am very proud of you. I am glad that I could be a part of this and a part of your life. You are my best friend and I will always be here for you. I wish nothing but the best in the future. Good Luck!! I Love You very much!!!

Love Always,  
Neta
