

Ashley,

Where do I start. You have been a really good friend to me this year. I'm glad that we have had many memories together I will not forget, all the laughs that we have shared together or the rides that we have taken whether it be by peoples houses or late night breaks!!! I have had a lot of fun with you whether it was riding together to the games, laughing about the dead It on Main Street or when Audrey hit that dog. I want you to know that I will always be here for you whenever you need someone to talk to or someone to give advice. Good luck at Carolina and I will see you on weekends

To Audrey or should I say, doggy killa!! I want you to know that you have been a really good friend to me when I needed advice. We have had memories together like USC vs. CU weekend, man was that a blast. Who can forget the ride home from Calhoun b-ball game and the "little doggy accident." I want you to know I am here for you, to give you advice, or if you ever need someone to talk to. I will always love you and you will be my "Number 1 killa." Love ya girl!

Leah,

I want you to know that I will always love you and you will always be my CU buddy whether you are in Columbia or not. We have had a lot of memories together from me making phone calls or late night rides to other towns. But, I did it all because I love you. This year at USC vs. CU, I had the best time with you, even though we were the only Tiger fans. Well I want you to know I love you girl!!

Boyd,

Where do I begin? I'm glad that we became really close friends this year! Even though we didn't work out, I want you to know that I will always be there for you to give advice or to talk to. I want you to know I will always love you and you will always be my little buddy. I bet you won't get this one: I.W.M.Y.N.Y.A.D.F.T.P.W.L.Y!

Durr,

Where do I start! We have been friends for a long time now. I'm glad that you and I have been good friends. You were there for me when I 1st came to DA and now you are leaving and I don't know what to do! I remember all the memories that we have shared, like the Kingstree Trails, or Habawes and you can't forget the football days! Well I want you to know I will always love you and you will always be my fried squash. Buddy, I love ya.

Earl,

I don't know where to start. You were one of the few people I knew when I came to DA. I remember that summer like it was yesterday, Brian, Derek, you and I went out on your boat and got caught in the storm. I am glad that we are still friends through all of those times. I am really going to miss you next year, but I want you to know I will always love ya.

Jamie,

I am glad that you and I became friends. You were there for me when I needed someone to talk to and I thank you for that. Whether I was sad, upset, or confused at school, you always had a shoulder I could cry on. I love talking to you and I want you to know that you are a sweetest person. I will always love you!

Erin,

From the days of football to the weekends, we always had fun. You and I could always make the other happy whenever we were upset. I thank you for that! I wish you the best in life, and I will always love ya girl!

To all of you:

I want to thank you for making my junior year at DA so memorable. You all share a special place in my heart. I wish you all the best of luck in the future and I hope that you all will fulfill your dreams. You are very special to me and I am really going to miss you all next year. But I am sure I will see you on the weekends. I love you all.

Love ya,
K.T.
