

The 2002 Challenger is dedicated to a lady who has served Dorchester Academy in numerous capacities for the past 18 years. Since her oldest child entered the halls of this school, this lady has been a devoted Raider parent. She has among other things, served as a room mother, board member, and booster club officer. This special lady is Mrs. Nell McKinnon. She is a perfect example of a Raider booster who can never "just say no." Whatever the task at hand, Miss Nell is willing to do her part and then some. She serves as an inspirational model for all DA supporters.

Most recently, Miss Nell has held the office of Secretary/Treasurer of the Booster club. In this capacity she has played a major role in our gym renovation as well as the stocking and running of our football and basketball concession stands for the past four years.

A heartfelt thanks to Mrs. Nell McKinnon, mom of Dana (Class of '96) and Bill (Class of '02). May the Raider pride forever fly high in your heart!
