

Kimberly,
I congratulate you on one of the biggest accomplishments you will ever realize. Through hard work, determination, and a little help along the way, you have made it through and will now move on to bigger and better things. I thank you for your companionship, love, and laughter that have made my high school years so complete. I'll miss seeing your smiling face every day.

Love,
Sam

Your time here at Dorchester Academy is coming to a close,
Sometimes it is amazing how quickly that time goes.
It doesn't seem like almost two years since we chose our first song.
Come on, No way, That much? It couldn't have been that long.
It seems like almost yesterday we were just becoming friends
About to embark on a journey that I hope will never end.
A stage in your life is ending and the next is sure to be fun,
But through all of life's trials and troubles remember: Life's short in the long run!!!

I love you!!!!!!

Kimberly,
Congratulations on your accomplishments. We will miss you next year. You kept us laughing. Who will keep Sam straight? You know, "Sam can't control himself." We wish you the best in the future and we love you!
