

Mary (Pootha & Snyder),

We have had some great times together. We are going to miss our rides to D. R., getting ice cream after every home game, after school trips to B.G.'s, and having Ladies Night. We love you and we are going to miss you next year. Congratulations!

Callie,

We've had great memories together-from "celebrating" after beating Hilton Head to ladies Night without parents. Just remember Jolly and Poppa Pump love you to death! Good luck next year.

Can,

We will never forget "Taking it to the River" and "Ladies Night" this past year. We are helping with your tuition for next year. Stay sweet and good luck next year!

Keri Anne (Girl),

We don't know what we are going to do without you next year. Who are we going to laugh with? Never forget our Ladies Night. We love you and have fun next year!

Danielle,

We are going to miss our dances going to volleyball games next year. Good luck in everything you do and we will see you at USC!

Bill,

Where do our memories begin? From going to B.G.'s to listening to you sing to us. Come back and party with us next year! We love you!
