

Nichole

As we look at you today we see the same beautiful eyes that looked at us with love when you were a baby.

As we look at you today we see the same beautiful smile that made us so happy when you first smiled at us when you were a baby. As we look at you today we see a beautiful daughter,

no longer a baby, but a beautiful person with a full range of emotions, feelings, ideas and goals.

Every day is exciting for us as we continue to watch you grow. And we want you to always know that in good and bad times we will love you.

No matter what you do or how you think, or what you say, you can depend on our support, guidance, friendship and love every minute of every day.

We love you dearly,
Dad and Mom

Nichole,
I am really going to miss riding to school with you next year. You are a great sister to me and I am very proud of you. I wish you all the happiness in the world. I love you,
Geordie
