

Ode to Allison

*If she's smiling all the while,
That's Allie for sure,
Sweet personality, full of vitality.
Yes, that's Allie for sure.*

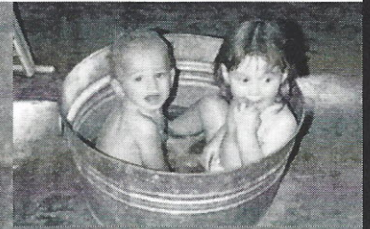

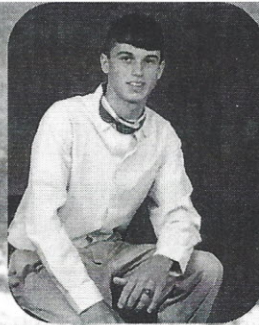

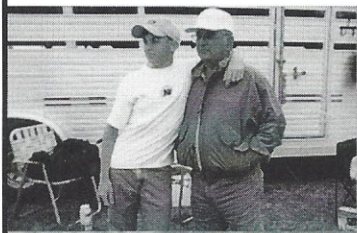

*She's the pride and joy of Bob, Austin, and Lou.
And I might add — of her grandparents, too.
From her we always get a hug and a pat.
She makes us feel great, and of course we love that!*

*She's a gymnast, a cheerleader, and plays basketball too.
There's nothing this girl thinks she can't do.
She cheers with vim and cheers with vigor.
A roar from the crowd she always triggers.*

*Coach Gruber's boys know how to compete.
Their championship made her school year complete.
Dorchester Academy is the place
From which Allie sprints for life's long race.*

*We'll always be there right by her side;
But she'll be ready to take life in stride.
We wish her the best in all she'll do now.
She's got what it takes to make college a "Wow!"*

*Love,
Ruthie and Granddaddy*
