

Trent,  
 It's hard to believe your graduation day is here! We are so very proud of you and the accomplishments you've attained. This page or book could never hold all the wonderful things we would like to say to you. Trent, from the day you were born you've always added great happiness and excitement to our life. You have been an outstanding son and a great big brother to Kala.  
 As you progress from high school to the "Real World" keep that great personality and positive attitude and life will treat you well.

Trent,  
 I am very proud of you. You are a very special grandson to me and I love you very much! Set you goals and go after them and strive for the best!  
 Love you Lots,
