

Gene,
Baseball, sleep-overs, movies, Clemson Football, church, friends, and family... just some of the many people, events and interests that have helped shape you into the well-rounded, thoughtful, and compassionate young man you are.

The years have passed so quickly. Not so long ago you were entering Mrs. Helen's Kindergarten and here you are... finishing high school and ready to begin the challenge of college. Your family and friends know you will succeed in whatever you choose, as you have developed strong values for an education and a determination for success.

You have been the joy and love of our lives. We are proud of you and wish for you the success you deserve.

We love you,
Mom and Dad
