

Crystal,  
 Congratulations! We are very proud of you. Life in the real world is about to begin, and there will be a lot of challenges and decisions to make. Always trust in God and he will be with you during the good times and see you through the hard times. You have brought much joy and happiness to our lives. We love you very much.  
 Aunt Lori, Uncle Dale, Angel, and Lauren

Crystal,  
 As you journey through life make it your aim to "trust in the Lord with all you heart, and do not lean on your own understanding. In all your ways acknowledge him and he will direct your steps." We love you

Crystal,  
 We want to congratulate you on your graduation. We are proud of your accomplishments. When we hear the beep beep of your 4-Runner, we know a beam of sunshine is about to enter our home. No matter what the weather or the mood we are in, you always brighten up our lives.  
 We love you.

Shug,  
 You know I love you and I am proud of you. It makes me feel young again when we go out to eat at Wendy's and you girls take me riding in your 4-Runner. You are a very special great-granddaughter.
