

On 5-1-84 your dad and I were blessed with our second beautiful baby girl. Not everyone is given such a special gift from God. Meagan, you are such a wonderful young lady. You have such special qualities; a beautiful smile and so much love to give everyone. Once people meet you they remember that smile and beautiful face. Also that "Hi, I'm Meagan Jones." Please just stay as sweet as you are and you can accomplish anything in life and you deserve only the best. Go for it. Don't give up.

We Love You,
Mom and Dad
