

# Congratulations Tyler!

You have grown from our precious little one, to a wonderful young man. From Matchbox cars and shiny new bicycles to skateboards and surfboards; from "Mommy can I go out and play" to "Dad may I use the car." Where has the time gone? We are so proud of you and we love you so much!

Mom and Dad

Best of Luck to our little brother and our "Spanish sister." We love you both!

# Felicidades Paladia!

We feel so very lucky that you have come into our lives. You are so special to us.

We love you!
