

Today,
you may not know all that
the world has to offer...
but we know that the world
will be a better place
because of what you have
to offer it

Today,
you may not know which path
you should follow...
but we know that you will
listen to your own heart,
for it will never lie

Today,
you may question what you
have already accomplished...
but we know you will
never doubt what you can do.

As all of your tomorrows
open themselves to you,
never forget how proud we are of you
and how much we love you...
yesterday, today, and always
