

We were blessed with a precious daughter on August 13, 1984. These past seventeen years have gone by so fast. You have been our pride and joy. Even though you had your own little mind ever since you were a child, we have always loved you, and everyone always knew that you would always get your point across. We know that you can do whatever you set your mind to, so set your goals high, you deserve the best. You have always been a leader, and don't ever change. As you face the new challenges of the future, be strong, and remember we are all behind you 100%.

Love, Mom and Dad
