

*Stephen,*

*I can barely begin to tell you of all my wishes for you. There are so many of them, and I want them all to come true. You are a wonderful, rare person with no comparison. I want you to know that opportunities will come, and you'll have many goals to achieve. I want you to realize how capable you are and that your possibilities are unlimited. I hope you never lose your childlike wonder, your delight and appreciation in interesting things. I know that you will always respond positive to the challenges that life will bring.*

*You have a strong foundation of family and friends and joy that will always last. I wish I could find the words to tell you how much you mean to me, but words alone can not describe such strong feelings. I love you beyond all words, and I promise that I will love you beyond all time. So many treasures await you in your journey of life . . . . .*

*and being blessed with you has been mine.*

*I Love You,*

*Mom*
