

Mary,

You are loved by all, but none more than me.

All the doctors and nurses prior to delivery said I was going to have another boy. I was the happiest man in the world when the doctor told me I had a little girl. From that day through all the years as you being my shadow - making me take you everywhere - to seeing the beautiful, loving young lady you have become, you have always made me so proud. I love you so much. No matter where life takes you, you must remember these two things: you will always be "Daddy's Little Girl" and that "Your Daddy Loves You"
