

Son,
 You gave us great joy when you arrived into our life. You will always be our pride and joy. We are so proud of all your accomplishments. We will always be here for you in whatever field of endeavor you do. Always be yourself and do your best in everything you do. Always be proud of your heritage and keep God in your life. We can't hold you in our arms like we used to, but we will always hold you in our hearts. We Love You and wish you all the Luck any parents could wish for their child. "Don't be scared."

Cammer,
 I will miss you a lot. Good Luck in playing football. I won't have anybody to show me the ropes on the computer, so go ahead and E-mail me as often as you can. I Love You and hope you will succeed in all that you do.
