

Congratulations, Crystal!

We are so proud of you!! It's hard to find the right words to express what you mean to us. The experiences, joys, and sorrows that have happened in the past have made you a very special person. You're Beautiful, Caring, and a wonderful person. We have not always seen eye to eye on things. Many times we argue but we always come up with a solution. But one thing is for sure we love you with all our heart and soul. Whatever path you take we wish you the Best and always remember we will always be here whenever you need us.

Love ya,
Pamela and Johnny
