

# Assistant Editor

*Being Assistant Editor of the 2002-2003 Challenger has been a big challenge in my life. It was not only a privilege but also an honor. With this job came many responsibilities: meeting deadlines and helping Fay make sure the other staff members had their work done. In order to meet deadlines, I had to help crop pictures, make layouts for the pages, and think of captions to go along with pictures. I want to thank Mrs. Karen for being there through everything and helping me with any difficulties I had, and for allowing me to be Assistant Editor. I would also like to thank the rest of the staff for making sure they met their deadlines. To Fay Johnson: I would like to thank you for all of the help you gave me. You were there for me no matter what, and I am very grateful that I had the privilege of being your assistant editor. To Nikki and Angela: I would like to thank you for being very responsible and dependable. If it weren't for the two of you the ads would have never been ready for deadlines. I would also like to thank Chris Minus for helping out with "crapping" (cropping) the pictures whenever needed. To the graduating class of 2003, we finally did it! I wish all of you the best of luck in the future, and I hope all of your dreams come true. Sincerely,*

Sara Ann Chinnners
