From the entertainment provided by Barry, the tandem ride on a bike built for ONE with Angela, to the drama from Melissa that always kept youth group exciting, thank you for all the fun times we've shared. I am so proud of you all, and I hope that you will always remember that I am here for you. Keep striving to better yourselves and to become more like Him!

"Sandy"

We first knew you at the little league ball field, and today, you still continue to shine amongst the diamond plates. You have such enthusiasm, and have blessed us with your presence and with your smile. You will have a great future ahead, and we look forward to seeing your dreams come true. Thanks for all that you've done with and for our family, and "good luck" at graduation, and also at college. You're going to have great years ahead! We love you.
