Chrystal,
Good luck and I hope you have conquered all the goals you have set for this year. The two years I've been with you have been the most enjoyable years I have experienced. I plan to have many more and I will see you through any problems you encounter.

I love you!!!
Love,
James

Chrystal,
 Remembering the little girl you use to be and proudly recognizing the young woman you have become. Lovingly wishing you joy as great as the joy you have given by being such a loving granddaughter. We wish that you have all the love and success you deserve.

We love you!
Love,
Mema and Granddaddy
