

*Twinkle, twinkle little star
oh how bright and beautiful
you are.*

*Hayley, my darling
daughter,
you are the light of my life,
the joy of each day.
My life would not have been
complete without you.*

*Please know wherever you
go,*

*whatever you do,
I will always love you-
Be true to yourself, respect
yourself
and others and remember*

I love you-

Love,

Mom
