*Angela,*

*You are a very special daughter to me. We have gone through a lot of great times together. I have enjoyed every step of your journey to becoming a senior. I am most proud of the person you have become and the many milestones that you have achieved. Graduation is a great accomplishment and now as you continue life, seek God's Will so that the rest of your life might be an even greater success!*

*Remember always "stay off the frontage road and don't plant close far apart. I love our movies!"*

*I love you and will always be here for you.*

*Love,  
Dad*
