

The day you were born was the happiest time in my life. You know you always had me wrapped around your finger but I loved every minute of it. I am so proud of the person you have become. You will do great in whatever you set your mind to. I always enjoyed seeing you perform at either the dance recitals or cheering at the ball games. I want you to know that I will always be here for you.

I love you!!!

Dad

Casey,

You are a very special beautiful and sweet granddaughter. Congratulations and the very best of everything now and always.

We love you very much!
