

Adam,

It's been a great year and now you are graduating.

I'll miss you so much. I am so proud of you and I wish nothing but the best for you! Don't have too much fun without me!

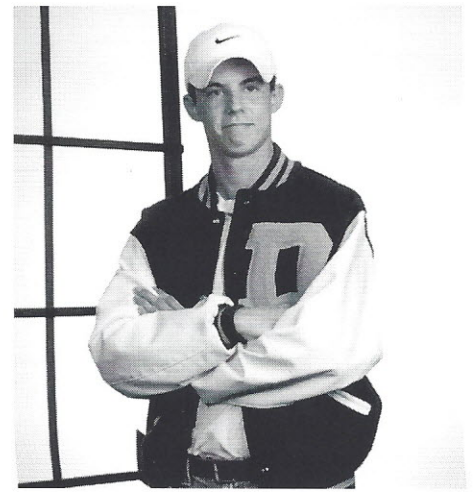

***Love Always,
Jessica***

Angela,

We are so proud of you and all your accomplishments. This picture was one of my favorites - our first family vacation together. You've grown up and now you're a young woman going off to college in the fall. Remember all the family times, the values you've been taught and the hard lessons you've learned from - they will take you far in life and help you to continue to be an outstanding lady. The world is waiting for you, Angela. Share your faith and your good works and make a mark in it by making it a better place. Rocky, Caroline, and I are richly blessed by having you in our lives. Thank you for letting us be a part of your family!!

Aunt Jan

Justin,

You have grown into a wonderful young man. You have been a blessing to us. Stay just as you are, keep God your life, and always be happy. You have made us very proud.

***Love,
Moma, Daddy, Tara, and Jason***

***Congratulations Angela!!!
Good luck in the future.***

We will miss you.

***Love,
Robert, Robin, and
Bobby***
