

*Adam,
Where has the time gone?
Seems only yesterday you
were down on the floor
playing with all your toys.
Now our little boy is
graduating. You have grown
into a wonderful young man
and we couldn't be more
proud of you. Always
remember, no matter what
lies ahead in life, we will
always be there for you!*

We Love You!!!

Daddy and Momma

*You have been a great big
brother to us and we love you
very much! Good luck in
whatever you may do in the
future.*

We Love you!!

Brooke and Cody
