

Fay Kathleen,

A child is a wonderful gift from God, and we are very proud to say that you are our daughter. You have had many honrs and accomplished much in your high school years, and we know that your college years will be much of the same. There is an old nursery rhyme that says, "Girls are sugar and spice and everything nice", and you are definitely that and so much more. You are very intelligent, kind, thoughtful, dependable, helpful to others, and a beautiful young lady. Your smile warms everyone you meet, may you never stop smiling, as that tells others how nice you are before they even meet you. We know that you have a lot of hard work ahead of you, but we also know that you can accomplish anything you decide to do. We love you very much, and are very proud to call you our daughter. May God bless you and guide you down the right paths over the years to come.

Congratulations!

Love,

Mom and Dad
