

*Bubba,
I can't believe you are
graduating. It seems like
just
yesterday we were getting
our
first bikes and throwing
kittens off the porch to see
if
they would land on their
feet.
I wonder why they ran
away?*

*Anyway, you have been
the
best brother anyone could
ever imagine. You have
always been there for me
when I needed you. You
mean so much to me and I
am very proud of you.*

*Don't
have too much fun in
college
without me!
Your favorite sis,
Jessica*
