

Sam,

Congratulations on your accomplishments. Always strive to do your best and set your goals high. I know you will succeed in anything you put your mind to. Words couldn't express the feelings that I have for you. It seems like it was just yesterday when we had our first kiss. Never forget all of our memories that we have shared together, they were the greatest times of my life.

You are the greatest person that has ever stepped into my life. You bring me so much joy and happiness and you are the most caring person that I have ever met.

You taught me many things, especially how to love and how to be loved. Always remember that you are not just my boyfriend, you are also my best friend. I love you!

*Love always,
Kim*

*P.S — You will always be my "S.M"!
Congratulations! We love you!*

*Love, Prissy Crissy and Sassy Cassie Hartzog
