

Travis Wayne Atkinson

You are a joy to all that know you. You have quite a sense of humor and are not afraid to let it shine. There are no words to express the love and pride you have given to us. Travis, you have a smile that can light-up the darkest room and a heart big enough to fill that room. We love you and wish you all the best this world has to offer.

Love, Your Family

Son,

I'm trying to write and hold back the tears. Travis you will always be my baby(yes, even when you're old and gray). You know just how hard this past year has been for me. There were a lot of days, when our hugs were what got me through those times. Thanks for all you have done to help out. Son, my heart is so full of the love you have given me and I just hope and pray you know how very much I love you too.

Trav, Remember wherever you go, whatever you do, I'll always be here for you! I love you too much, good night sweet dreams! May all your sweet dreams come true!

*With All My Heart and Love,
Mom*
