

Sam,
It's hard to believe that it's already time for you to be going off to college. It seems like only a couple years have passed since you were saying nursery rhymes, trying to say your A,B,C's and pretending to be "Switch Blade" and "Blue Star". You have already accomplished so much and we know that you will be successful at whatever you decide to put your mind to. As you leave home, remember to make good choices. Use the talents that God has given to you and never give up on your goals. Remember to have fun along the way and that we will always be here for you. We love you and will miss you more than you will ever know.

Love you,
Mom and Dad
