

She's "AS GOOD AS IT GETS"

MRS. DEE DEE MARTZOG

Deciding on a dedication is always difficult for the yearbook staff.

Over the course of our journey through school, many people have touched our lives in many different ways.

This year we have selected someone who has been with us from the very beginning. She began her teaching career at Dorchester Academy in 1992 with the class of 2004 as her first First grade class.

We thought it only fitting that we would finish our school years by dedicating our yearbook to the one who has been with us all the way—from skipping the May Pole to our final May Day program.

Thank you, "Miss" Dee Dee, for always being as "good as it gets"!
