

“Miss Karen,”

When creating a successful yearbook, a staff needs an advisor who is always willing to help guide them through all of the deadlines. Our 2004 yearbook would have never been “As Good As It Gets” without your help. This year will be one that we will never forget. Even with all of the drama, like having to retake class pictures and the “baby picture thief,” we have managed to make it through it all. We appreciate your help and dedication to our staff. We will miss you next year! We love you!!!

*Love,
The 2004 Challenger Staff*
