

To Elliot – the light in our lives.  
Our wishes for you are too many to  
count,  
So we'll just wish you love.  
Everything magic and everything real,  
Everything that matters – springs from  
that.

We are proud of you!  
We love you!  
Mom and Dad

**Elliot,**  
I am really going to miss you next  
year when I can't argue with you  
every day. Thanks for always  
looking out for me and remember  
that I'm always here for you. Good  
luck in college!

**I Love You!**  
**Kaitlin**

Elliot,  
Once in a while we find  
someone that we can  
exchange trust in one  
another...I know because I  
found you a really good  
brother.

Your brother,  
West
