

remember your first day
 of 4 year old Kindegarten like it
 was yesterday. I took you to school
 thinking your first day would be hard on you
 Little did I know when I left you there it was
 harder on me than it was for you. Now another
 hard step has arrived for me letting you go into
 the next phase in your life's journey. I'm sure you
 will do great. Love, Mom

Congratulations!!! Buckwheat

Kim,
 Where
 has the time
 gone? You have gone
 from Daddy's little Pom
 Pom girl & Princess to a young
 beautiful woman. Now as you go out into
 the world, in my eyes you will always be my little
 girl. Congratulations! We are proud
 of you! Good luck at Carolina!
 Go Gamecocks! We love
 you! Dad & "Miss"
 Peggy
