

Wes,

It seems impossible that my grandson is a Senior. You are so special. I remember your first Christmas when we placed you under the tree for a picture. You truly were a gift from God.

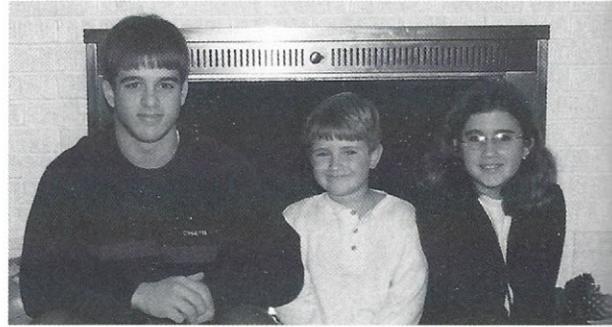

I've seen your strength in playing sports and participating in other activities. I've also seen you strong with your decisions and convictions. This is one of the reasons that I know you will achieve whatever you want to do with your life.

I'm so proud of the young man that you have become. I'll always be here for you and I love you very much.

Mimi
