

Kori Michelle Kizer

A daughter is one of the most beautiful gifts that life has to give

It seems like only yesterday we tucked you in at night, always whispering a prayer of thanks. Not so long ago, we were dancing around with you in your Cinderella dress, going shopping with Gus, and reading storybooks until you were asleep in my arms. Overnight, it seems, you turned into a beautiful young lady with those same bright blue eyes and a smile that is the sunshine in our lives.

Always remember how very, very much We Love You~ and we wish for you
All the happiness your heart can hold.
