

Jay,

Aunt Letha use to call you "the miracle baby," and indeed you were. With God's help, you defied all odds and were born healthy, intelligent... and we won't leave out-- quite handsome. Most importantly, you became a wonderful, integral part of our lives.

Through the years, you've encountered numerous bumps and difficulties in the road of life- definitely more than your share! But you have endured them. Evidently, God gave you an extreme amount of determination, because you have not only persevered, you have continued to be an achiever and to be a blessing to your family and friends!

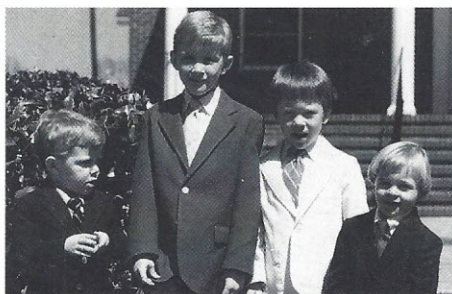

Always remember that God's love permits such seemingly unfair difficulties in our lives so we will learn to depend on Him and grow in Faith. If you live by Phillipians 4:13, "I can do all things through Christ who strengthens me," you will be able to soar victoriously above the troubles that come your way and will continue to be successful in the years ahead. We love you so very much!!!

Love,
Mom, Johnathan, Lance, Amy, and Lisa

Jay, You're a wonderful son,

You were a delightful bright-eyed
