

My Dearest Kimberly,

How can we put into words what you mean to us and just how special you truly are? Words cannot tell you just how proud we are of you.

It seems as only yesterday, we were holding you in our arms, watching you laugh and smile. For you were our first born child, there is a special bond there.

Then it was time for you to start kindergarten. I walked you into your classroom and you waved bye to me, letting me know it was time for me to leave. In my heart, I knew you would be fine.

Before we knew it, it was time for your very first prom in the 8th grade. Lord, that was a day! We had your hair, makeup, and pictures done. Looking for your dress was a job!

When you started Dorchester Academy in the 9th grade, you truly made some remarkable accomplishments and remarkable friends. There are so many accomplishments! Beta Club and Yearbook Staff. To be the Business Manager of the 2004 Challenger Yearbook is truly an accomplishment to be proud of and always remembered.

Well time has passed so quickly. We cannot believe it is time for you to graduate from high school and enter college. It is hard for us to let you go, but we know the time has come for you to spread your wings and fly.

Always remember we love you very much and will do anything for you.

"A mother holds her children's hands for a little while, their hearts forever."

Love,  
Mom and Dad
