

Kimberly,
 Ever since the day we have met, something different accompanied us each day, whether funny, sad, good, or bad. But one thing has stayed the same for me since that day, my loving care for you. You have meant so much to me through love, inspiration, and caring. As the next few years come upon you, always stay positive, work hard, and never let yourself down. Also, always remember I will always be here for you no matter where I am.

P.S.- You are still a "thief"!

Love,
 Gene
